DONATION

🐾 in memory of 🐾

RACHAEL
PARKER

BACKGROUND

Rachael Parker's birthday would have been December 16th. To honor her memory and recognize her love for animals, including adopting her dogs from shelters we are once again **collecting items to donate to the spcaLA located in the P.D. Pitchford Companion Animal Village in Long Beach.**

We first checked with resources that are assisting animals in the areas affected by the fires. They indicated that at this time they have been inundated with donations. They suggested supporting the local facilities. We want to give items that may make a shelter stay more comfortable for the animals rather than a financial donation.

COLLECTION DATES

Now to Friday, December 14th

Donations delivered to the spcaLA on
